- u/s 12 of the Pharmacy Act.
- for conduct of course.

Sub: “Clinirex” clinical pharmacy learning, evaluation and drug Information and documentation software as a tool to document clinical pharmacy activities by Pharm.D institutions.

Sir / Madam

With reference to the subject cited above, it is intimated that –

1. Tychee Innovations Pvt. Ltd. Vijayawada has approached the PCI proposing to offer following services to the Pharm D institutions which may be immense help and support particularly during this pandemic situation -
 - Students can document activities from any remote location
 - Faculty/ Preceptors can evaluate all the activities remotely
 - Institutions can conduct exams to the students online
 - Drug - Disease information and Interactions mobile application access
 - Monitoring of day to day activity of the student
 - Remotely view and sign the logbooks of the students
 - Efficient platform for Case discussions and case presentations
 - No scope of unstructured data from the students
 - Students can study and learn about the case during documentation
 - Retrieval of activities anytime from anywhere
2. The matter was considered by 331 Executive Committee of the PCI in its meeting held on Aug, 2020. The decision is as under -
 - a) It was noted that Tychee Innovations Pvt. Ltd. Vijayawada will provide CliniRex software free of cost for 3 months to PCI approved Pharm.D institutions.

- b) As a digital initiative by PCI, it was decided to forward the said proposal to Pharm.D institutions to avail this opportunity to help in training of Pharm.D students particularly during this Covid-19 pandemic.

The stepwise registration process for registration with Tychee Innovations is enclosed as **Annexure-I**.

This is for your information.

Yours faithfully

Respected Madam,

Sub: Institution Registration process to CliniRex Covid -19 plan – reg.

Greetings from Tychee Innovations Pvt Ltd., In continuation to my previous proposal letter regarding the CliniRex Covid Plan -19, I am here with giving the stepwise registration process by the institutions.

Step 01: The college has to register by clicking register.clinirex.com/covidplan

Step 02: The registered user will get an automated mail about the consent form

Step 03: The consent form should be printed on the Institution letterhead, signed by the head of the institution with seal and mail to support@clinirex.com

Step 04: Once the consent form is received, a secured database for the institution auto generated and an email with the admin credentials is sent.

Step 05: College admin can create logins for the students and staff after they login to the admin account.

I request your kind self to pass on this message to the Pharm D institutions.

Thanking you,

Yours Sincerely,

Dr. Adepu Ramesh
Chief Operating Officer
