Sir/Madam

1. With reference to the subject cited above, I am directed to state that 376 Executive Committee of the PCI in its meeting held on 14.9.2022 has noted that some of the institutions have registered on the portal but could not complete the SIF and fee submission process due to technical issues.
2. In view of above, it was decided to open the portal for 48 hours for such institutions which have already registered on PCI portal to complete the SIF and fee submission process from 21.9.2022 to 23.9.2022.

3. Please note that –
 - a) it is the last opportunity and there will not be any further extension of last date beyond 22.9.2022 for such institutions.
 - b) it is not for institutions which have not registered on PCI portal.
4. All the institutions are again advised not to wait for the last date as crowding may slow down the server, hence application be submitted at the earliest within the stipulated date.
5. In case of any technical problem, please take the screen shot and forward on the following e.mail -
 - pcihelpit@gmail.com
 - pnv.1990@gmail.com

Yours faithfully
