Subject: AISHE 2019-20 data uploading before last date 31.05.2020

Dear Madam/Sir,

Heartfelt Thanks to all of you for your hard efforts!!!!!!! Hope you all are safe at your place.

The All India Survey on Higher Education (AISHE) for the year 2019-20 has been commenced with effect from **1st January, 2020**. Initially, all the institutions of higher education in the Country were requested to upload the data on AISHE portal (aishe.gov.in) by **31st March, 2020**, which was the closing date of the survey but now it has been extended up to **31st May, 2020**.

2. Almost four months has been elapsed but the progress of data uploadation on AISHE portal is abysmally low. MHRD is targeting 100% data uploadation by all the institutions of Higher Education in the country.

3. I shall be grateful if you could kindly take appropriate action for getting the data uploaded by all the institution under your jurisdiction within the **stipulated period of time i.e 31.05.2020**. Timely uploading of the data will help us in bringing out the AISHE report without any time lag which would be useful for policy makers and planners and other data users.

Thank you so much,
Yours Faithfully
Dr. Archana Shukla
