Sir/Madam

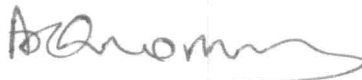

This is in continuation of PCI letters/instructions referred to above to update the students data on Council's website. It has been noted that inspite of repeated pursuance the same is not yet uploaded on Council's website by some of the pharmacy institutions.

In this connection it is informed that the PCI is going to release an advisory to students to check the data on the PCI website.

In view of above, institutions who have not yet uploaded the student details are given last opportunity to upload the students' details on Council's website immediately without fail.

Please note that in the event of failure of the institutions to upload the students details on Council's website, the students may not be registered by the State Pharmacy Councils as the State Pharmacy Councils will also be referring to the said data for the purpose of registrations.

Yours faithfully

(ARCHANA MUDGAL)
Registrar-cum-Secretary
