Sub: PCI National Seminar on “Recent Trends in Pharmacy Education & Practice”.

Sir/Madam

Human resource for health has been a significant focus of the PCI over the last few years. The PCI is striving hard to upgrade the standards of pharmacy education and practice of profession in the country. With the mission of promoting the highest professional & ethical standards of pharmacy, PCI is in the process of introducing various regulations like –

- a) B.Pharm Regulations.
- b) M.Pharm Regulations.
- c) Bridge course Regulations.
- d) Pharmacy Practice Regulations.
- e) National Task Force for Quality Assurance of Pharmacy Education etc.

With this background, PCI has decided to conduct a National seminar on ***“Recent Trends in Pharmacy Education & Practice”*** and looks forward to meet all stakeholders like pharmacy institutions, teachers, regulators, hospitals and community pharmacists, students etc. at a common platform to apprise them with the action and implementation plan of the PCI. It is hoped that this effort of the Council will go in a long way in deciding the future direction of our profession.
