Dear Prof Suresh

Ministry of Human Resource Development is conducting an All India Survey on Higher Education to prepare a sound database on higher education. Data will be collected from all the Institutions of Higher Learning located in the Country. A Task Force has been constituted under the chairmanship of Shri Sunil Kumar, Additional Secretary (Higher Education), MHRD to oversee the whole survey work. National University of Education Planning & Administration (NUEPA), New Delhi has been given the responsibility of conducting the survey. Main Survey is proposed to be conducted during June-July, 2011.

In this regard a meeting was convened by Secretary, Higher Education on 18.05.2011 with chairpersons of University Grants Commission, All India Council for Technical Education, Indian Nursing Council and National Council for Teacher Education wherein it was decided that all the regulatory bodies may upload the survey related documents on their websites and issue instruction to the institution under their control for co-operation and to provide necessary information. It was also decided in the meeting that all statutory regulators would publicise the survey and make it obligatory for the stand-alone institutions coming within their purview to furnish information to investigators.

I request you to kindly give a wide publicity to it and instruct all the Institutions under your control to extend cooperation in the survey. Soft copies of the documents are available on our website under the following link:

With Regards

Yours sincerely,

(Vijay P. Goel)
