Sir/Madam

This is in continuation to Council's Circular dt. 24.5.2004.

In this connection , I am directed to inform that considering the latest information on record, 73rd Central Council of the PCI in its meeting held in September , 2004 has noted that the Council has already given repeated No. of chances to clear the backlog students of Education Regulations , 1981. In view of it and in the best interest of the profession it was decided to reiterate the decision of 72nd Council (April,2004) and not to give further chances to Education Regulations , 1981 students to clear the examinations.

This is for your information.

Yours faithfully
