## All Registered Pharmacists

**Sub: Compliance of conditions prescribed u/s 32(2) of the Pharmacy Act, 1948 with regard to Pharmacist registration in the state where he / she resides, or carries on the business or profession of pharmacy.**

Sir/Madam

This has a reference to the subject cited above. In this connection, I am directed to state that it has come to the notice of PCI that a pharmacist is registered in one state but residing or carrying on the business or profession of pharmacy in another state.

In this connection, the kind attention is invited to statutory provisions of section 32(2) of the Pharmacy Act, 1948 prescribing the conditions for registration as a pharmacist. One of the mandatory conditions for registration is that a person shall reside, or carry on the business or profession of pharmacy, in the state.

In the light of above statutory provision, all pharmacists are advised to get the registration as a Pharmacist in the state where they are residing or carrying on the business or profession of pharmacy.

Yours faithfully
