New Delhi – 110 020

### PUBLIC NOTICE

Ref No. 14-3/2022-PCI | 17992

13 FEB 2023

To,

1. All Institutions approved by PCI-
2. All the Pharmacy Teachers

**Subject: Joining and Relieving of Faculty on PCI Portal-reg.**

Sir/Madam

With reference to the subject cited above, I am directed to inform that subject cited issue was considered by 388th Executive Committee of the PCI in its meeting held in December 2022 which noted that -

- a) teaching faculty has resigned from the institution but they are not being relieved by the Principal / Institutions. As a result the said faculty though has joined the other institution is not able to update his / her details in the faculty module of joining institution and are still reflected in old institution, thereby not giving true picture of teaching staff position.
- b) Institutions uploaded the name of faculty without their consent.

In view of above, it was decided that –

- a) to open faculty portal throughout the year and link with SIF.
- b) PCI Portal for Faculty and Institutions will be opened for the Joining and Relieving linked with Aadhar / PAN card.

In this connection, it is clarified that -

- a) PCI portal will be opened throughout the year for faculty and institutions for the joining and relieving of the faculty.
- b) Every time institutions shall relieve/join the faculty through the portal when institutions appoint new faculty or relieving the old faculty. If institutions are failed, then legal action will be initiated under Pharmacy Act, 1948.
- c) Council will start the verification process by linking the Aadhaar Card, Pan Card with faculty portal. It is mandatory to all faculty members to update their Aadhaar Card, Pan Card and Aadhaar Card linked mobile number on the PCI portal under faculty portal. The faculty itself will be responsible for the legal action taken by furnishing wrong information on portal.

.2.

- d) If any institution uses the name of any faculty on its portal without appointing them, or if the faculty left the institution but not relieved from the portal, the legal action may be initiated against the institution including their approval may be revoked under pharmacy act 1948.

This is for strict compliance failing which action as deemed fit will be initiated by PCI against the institution and the faculty.

Yours faithfully

  
(ANIL MITTAL)  
(I/C) Registrar-cum-Secretary
