3. Pharmacist Associations.
4. Fellow Pharmacists of the country.

Subject: Request to celebrate the Diamond Jubilee of the Pharmacy Act, 1948.

Dear All,

Greetings.

You all are aware that the Pharmacy Act, 1948 was enacted on 4.3.1948 for regulation of Pharmacy Profession in India.

Post enactment of the Act, our Pharmacist community has been contributing its best to the society for the last 74 years. They have been crucial to the health of every Indian right from developing, manufacturing and distributing medicines besides giving required counselling to the patients to achieve the desired outcomes. Not only they have made the country self sufficient for its own requirement of medicines but India has been supporting many other countries also to achieve health for all. This would have not been possible without the untiring efforts of our Pharmacy professionals.

To celebrate their contribution to the mankind and 75th year of the Pharmacy Act, the Pharmacy Council of India has decided to celebrate this year as "Diamond Jubilee Year of the Pharmacy Act" starting from 4th March, 2022 till 4th March, 2023.

Hence all the stakeholders are requested to celebrate this diamond jubilee year with all the grandeur at their respective places. The Pharmacy Council of India will be organizing a National event on this occasion, dates for which will be announced in due course of time.

Looking forward to have active participation of every Pharmacist of the country in celebration of Diamond Jubilee Year.

With regards.

ARCHNA MUDGAL
Registrar-cum-Secretary
